

És **mestrando** ou **doutorando** na UC?

Are you a master's or PhD candidate at the UC?

Uma parte da tua **investigação** parece *invisível* ?

Does part of your research seem invisible?

Sabias que...

Did you know...

podes tornar a **investigação** da tua **tese**
mais **aberta, reprodutível e reutilizável** —

you can make your thesis research more open, reproducible and reusable —

e receber **certificação** por isso?

and receive formal certification for it?

Oferecemos duas unidades curriculares opcionais e transversais...

We offer two optional cross-course units...

Reproducible, reusable and open research I: Introduction to Certification (RROR I)

– Code 02056258 (1st semester | 1 ECTS)

Uptake: Thesis workplan + assigned supervisor*

- Introduction to the practices, criteria and program
- Hands-on “how-to” sessions
- List-based selection based on *best fit* with thesis workplan
- **Final output:** Implementation plans approved by supervisor

Reproducible, reusable and open research II: Implementing the Certification (RROR II)

– Code 02056269 (2nd semester | 1 ECTS)

Uptake: Thesis finalization and submission year**

- Review progress, modify plan as needed
- Review & feedback from peers and teaching staff
- Finalize implementation
- Share lessons learned
- **Approved: Implementation** in the thesis and assessment based on **quality criteria**

Curious?

Check the
**course
materials**

(1st edition
2025/26!)

Repositories for:

- [RROR I](#)
- [RROR II](#)

NOTES: (*) To fulfill the plan, students must have been assigned a topic and supervisor by December 2026; (**) Enrolment in module II differs for Master's and PhD programmes, given the different durations for thesis development
